

PREMIER TRAFFIC MANAGEMENT

HEALTH AND SAFETY POLICY STATEMENT

The policy of Premier Traffic Management Ltd. Is to provide and maintain a safe and healthy workplace by ensuring that work equipment is in good working order and that a safe system of work exists for all our employees. The operational activities involve set up, maintain, and remove Road Traffic Management systems and manage their services from their head office in Tudhoe, County Durham; the company has satellite depots throughout the UK.

Employees have an obligation to ensure that they work in a safe manner and that their acts or omissions do not cause harm to themselves or others in the vicinity; employees are encouraged to bring to the attention of management any concerns regarding health and safety issues.

Premier Traffic Management is aware of the duty of care towards others that are not in our employment; these people include visitors and contractors who interact with our business activities and premises. Such persons will receive suitable and sufficient information / instruction for their health and safety and their actions will be controlled so as not to cause harm to our employees or themselves.

Premier Traffic Management considers the needs of those in our employment who carry out their duties on other sites; these persons shall be suitably prepared, and they will comply with the necessary site induction and procedures.

We recognize our responsibility to provide safe and healthy working conditions, to encourage safe working methods and to enlist the active support of all personnel employed; to achieve this, our commitments are:

- Document and implement an occupational health and safety management system appropriate to the nature of the business that meets the requirements of ISO 45001.
- Comply with applicable Legal requirements and other requirements
- Provide safe and healthy working conditions for the prevention of work-related injury and ill health and is appropriate to the specific nature of the OH&S risks and OH&S opportunities.
- Assess work activities to eliminate hazards and reduce OH&S risks
- Provide a framework for setting and monitoring OH&S objectives
- Encourage continual improvement of the management system
- Consult with our employees on matters affecting their health and safety
- Provide and maintain safe plant and equipment and ensure safe handling and use of substances
- Provide suitable and sufficient information, instruction / training and supervision
- Provide suitably and sufficient welfare, sanitary and working facilities as required
- Ensure all employees are competent to do their tasks, and to provide relevant instruction / training
- Prevent accidents and cases of work-related ill health
- Maintain safe and healthy working conditions; and review and revise this policy as necessary at regular intervals
- Ensure this policy is communicated to all employees and sub-contractors who may be involved in the operational control of the business
- Ensure that this policy is made available to interested parties on request

Overall responsibility for health and safety at Premier Traffic Management rests with Mick Rogan.
